B. How to Borrow:

i) Get a card: Just complete an application form and we'll issue you a library card on which will appear your name, address and client number.

ii) Consult the catalogue: It will give you ideas for film programs. The librarian needs to know the titles and title codes of the films you want.

iii) Order the film: For the pre-book library, we need a minimum advance notice of 2 working days. Maximum notice possible is 1 month. Films may be borrowed for a maximum of 4 working days.

If you live out of town, requests should be received at least 2 weeks, but no more than 3 months, in advance.

When ordering, give:

b) your card number
c) the playdate you desire

iv) Remember these small but important details:

- Bookings may be submitted by mail, phone, or at the counter.

- Films must be picked up on the specified shipping date. If not, your order will be cancelled.
- All films must be back in the library on or before the due-back date. There is nothing more disappointing for all our film users than having to cancel a screening because of a late return! All late returns are subject to a fine of $1.00 per film per day late. Please note that customers are responsible for loss or damage of films.

C. General Information:

The library is open, Monday to Friday, 8:00 A.M. - 5:00 P.M. Telephone reservations will be accepted between the hours of 10:00 A.M. and 4:00 P.M.
